DISTRICT, PERSONALITIES

Of all the places she has seen in her many travels Carol feels
that Hong Kong is the most fascinating... the most "different",
she stated that the strange and unique British Colony, con-
stantly would perhaps leave a deeper imprint on the travel-
er than any other city of the world. It is a city of terrific contrasts,
seen by street and alley by alley, one may see human depths
and on the other hand every evidence of very "glam" living con-
ditions. She says that the put down roots to some extent in As-
tralia, a country which she very much admires.

Glads to be home with her family, Miss Lindberg is now em-
ployed for the summer at Sunset Linenage at the Drayton Valley
Hotel. She expects to go over to Europe for a visit again at
Christmas time.

THE DO'S AND DON'T'S OF HAVING FIRE WITH FIREWORKS

Before firing your display of children will always be fascinated by fireworks and make a good audience but they should NOT participate in the actual firing of the pieces.

2. One person should be in charge of the display. No fireworks is designed to be held in the hand when lit. Older children should be taught to participate under adult supervision.

3. Read the directions on each piece, and plan to the order of firing. Keep in mind that the firing location should be clear of overhead obstructions, trees or wiring.

4. Read the directions on each piece, and plan to the order of firing. Keep in mind that the firing location should be clear of overhead obstructions, trees or wiring.

5. Assemble buckets of water or sand or a hose nearby filled with water to be used at your firing base.

6. Items such as roman candles and other long pieces should be fired at least 100 feet down the road to your container and set at a 10 degree angle from spectators.

7. If containers of sand are not available, dig holes in the ground deep enough to bury the fire work piece to allow the ground to absorb the heat.

8. Have a large container such as a metal garbage can available to dispose of used firework pieces. When the display is over these items can be repurposed with a garden hose.

9. A glowing cigarette or cigar makes a good substitute for a light igniter. Hold same at arm's length apply to the wick and snuff clear immediately.

CANADIAN WESTERN NATURAL GAS COMPANY LIMITED AND NORTH-WESTERN UTILITIES, LIMITED

GAS COMPANIES ANNOUNCE SENIOR MANAGEMENT APPOINTMENTS

The appointments of Murray E. Stewart, 38, of Edmonton as president, and John E. Maybin, 40, of Calgary, as executive vice-president, of Canadian Western Natural Gas Company Limited and North-Western Utilities, Limited are announced by D. K. Yorath, chairman of the companies, following meetings of the companies' boards of directors. Also announced were the appointments of David B. Collier as general manager, and Cyril L. Metcalfe as treasurer, of North-Western Utilities. Mr. Stewart succeeds Bruce F. Wilson, who has resigned to become president of Canadian Bchitel Ltd. of Toronto. Formerly vice-president of both companies, and general manager of North-Western, Mr. Stewart

has been with Alberta's two major gas utility companies since 1949. Mr. Maybin has also been with the companies since 1949 and formerly was company president, engineering and gas supply, for both companies. Mr. Collier, who succeeds Mr. Stewart as North-Western's general manager, has been with the company since 1949 and formerly was vice-president of production and transmission. Mr. Metcalfe, who has been with the company since 1931, and corporate secretary since 1948, will succeed John B. Whelan when he retires on May 31. Mr. Maybin will become president of Canadian Bchitel Ltd. of Toronto. Formerly vice-president of both companies, and general manager of North-Western, Mr. Stewart

Nurses

NURSES TO HOLD JASPER CONVENTION - The 47th Annual Convention of the Alberta Association of Registered Nurses is expected to draw more than 5,000 nurses to the Jasper Fair, June 26 to 29 May.

This year's three-day meeting entitled "Resolutions for Action" promises to be one of the most thought-provoking business sessions the nurses have ever held.

Emphasis will be centred on the employment relations practices and principles, as the A.A.R.N., executive feel their members should have a better understanding of staff nurse associations and the techniques of collective bargaining.

Professor A. G. Peroni, the A.A.R.N.'s Employment Relations Consultant will head a panel comprising Mr. Ken Hugh, Deputy Minister of Labour in the Alberta Government and Mr. Lloyd Sharpe, Director of Employment Relations for the Registered Nurses' Association of Ontario.

The panel is expected to delve deeply into the principles and techniques of collective bargaining as it pertains to the nurses.

Reverend Ray Cantelon, of Lethbridge, will deliver the keynote address on Wednesday morning, followed by an A.A.R.N. presentation.

Wednesday evening will see the need for a four-year program at the University of Alberta as well as nursing programs in Junior Colleges.

The Student Nurses, who are holding separate sessions this year for the first time, will combine with the graduates to present the Student Nurses' Report of activities during 1964.

Convention

Thursday's sessions will commence with a panel on Public Relations with the Association's Public Relations Officer, Donald J. Balle acting as moderator. Members of the panel will include J. D. Trautman and Associates, Calgary and Flight Lieutenant Ted F. R.C.A.F., of the Alberta Air Public Relations Office in Edmonton.

The Public Relations program will be followed by a luncheon service report where a better utilization of staff will be one of the main topics.

The convention will wind up on Friday with a report from the Legislation and By-Laws Committee, the discussion of resolutions and the election of new officers.

Although most of the convention is hard work for the delegates during the day, there will be social events presented in the evenings. Wednesday night a giant barbecue will be held with members of the Jasper Chamber of Commerce entertaining.

The Jasper Players drama group will also stage a special presentation of "Breath of Spring".

The actual banquet will be held Thursday evening at which time the A.A.R.N. executive will present the honorary membership upon to two former members of the Association.

Mr. Lorne Hutter, a charter member of the Association from Edmonton, will receive the honorary award.

THE HEART IS THE WORLD'S LARGEST ORGANEL

PEMBINA NEWS ADVERTISER LTD.

May 19, 1965.

R.C.M.P. 92nd Anniversary

The Force was officially organized in 1873. It chose as its motto "Maintiens le Droit". Uphold the Law. In 1974 a body of some 200 of the newly organized force left Toronto to set up posts in the Northwest. Travelling by horseback they endured incredible hardships on the long western trail. After establishing posts they began to break up illegal trade in whiskey and put a stop to horse and cattle stealing. A first the Indian frontier, but soon began to look upon them as friends and helpers. Gradually Canadian settlers started moving west and to settle the vast northwest.

Known first as Northwest Mounted Rifles, the name was later changed to Northwest Mounted Police. In 1929 the name was changed to the present Royal Canadian Mounted Police. At that time they were the force to keep law and order, although at that time they have been engaged in work in the interests of the country. With northern areas of vast distances, with only a handful of men patrolling, yet they have maintained a remarkable record of bringing criminals to justice.

On the local scene the force in this area is represented by Corporal Ken Hildebrand, Constable Rod Macdonald and Constable Bob LaQuenne. Two young men have enlisted in the Force from this area. First to sign up was Wally Mohr, who is now engaged in constabulary work in New Westminster. Recently young men have joined the group. He is currently taking initial training at RCMP headquarters in Regina.

Recreationally Speaking

By Carol Lindholm

RECREATIONALLY SPEAKING
what is recreation?
I ask a child "What is recreation?" He said with confidence: "What I do when I don't have to do it."

I ask a group of Students
Nurses during a lecture "What
is recreation?" A charming
teen-age student replied:
"Anything that doesn't smell
like disinfectant."

Now we are asking you:
"What is recreation?" What
does recreation mean to you?

Perhaps at this time of year it
means outdoor life, snow-
balls in May, sports and
springtime, sunshine and
swim. Theoretically recreation
simply means the refresh-
ing happy exercise of the
body, mind and spirit which
of course can be interpreted

by you individually. Recreation
is also the social spirit of
performing and creating
skills. With this in mind we
will be offering a wholesome
program this season at your
swimming pool which will
be definitely be opening at
1000 a.m. Thursday May
20th. During the remainder
of this month and throughout
June we will offer a maxi-
mum of Public Swimming.

Hospital Women's Auxiliary Report

The regular meeting of the Drayton Valley Hospital Auxiliary was held on May 19, 1965. There were ten members and one guest present.

The auxiliary was very pleased with the large turnout at the hospital open house on May 12, 1965. Also a special thank-you to the members of the auxiliary class who displayed their lovely hats at the tea.

The auxiliary has now purchased a new cooperative for the hospital.

The By-laws and constitution of the auxiliary were reviewed at this meeting. Election also took place and the state of officers for the next year are as follows:

President - Mrs. I. G. Jones, 2nd Vice Pres. - Mrs. Anne Jones, 3rd Vice Pres. - Mrs. Opal Cane, Recording Secretary - Mrs. Della Reid, Treasurer - Mrs. Peggy McLipp, Corresponding Secretary - Mrs. Ruth Grogan.

It was decided to have the next meeting of the auxiliary at a supper meeting at the hotel dining room. This will take place on June 10, 1965 at 7:00 p.m.

D.V. Highlights

By Edith Debr
Mrs. Henry Dunlop left on Saturday to spend two weeks with old friends in Prince George.

In the "Who is Related to Whom" department we had that Mrs. Olive Goss is a cousin to Gerard Toss's fiancée, Small World.

Mrs. Howard Jones invites friends of Miss Goss to a bridal shower on the evening of Friday, May 21. Miss Goss is marrying Mr. Gilbert Boyd.

Mrs. Mowle, of Duffield, visited the Drayton Valley Branch of the Women's Institute on Monday evening.

Mrs. Mowle is our new Constituency Coordinator. She is an inspiring talk on the origin and aims of Women's Institute and urged all members not to hesitate to take office when asked to do so.

A National Film Board production "Women on the March" was very much enjoyed. We had the opportunity to thank Mr. Michael Gormley for his kindness in obtaining and showing the film for us.

Mrs. Samuel Wallace came from Toronto to visit their mother recently. A friend, Mr. Tolch, accompanied them and professed to greatly enjoy his first visit to the west.

Martin Kleven moved to Edmonton this week which he has secured a position with the Alberta Liquor Store. Martin is at the Westmount store.

That Miss Carol Lindholm is a photographer of ability was demonstrated one evening last week when friends were invited to see her colour slides. Beginning when she travelled left Vancouver the cargo ship on which she unfolded a fascinating tale of life in which which separated places as Athens, Hong Kong, Australia, Egypt, and the South Sea Islands.

Miss Lindholm's informative and witty commentary made the occasion a treat to be long remembered. Many thanks, Carol.

Library News

Tuesday's due date was June 1. This meant that only six weeks remain before summer holidays. Watch this column for information regarding summer library hours.

Do you like to read books but find that your best efforts are sometimes a disappointment to you? Perhaps you would profit from the experience of Mrs. Peggie Schaeke whose book, "Growing Plants under Artificial Light" is now available at your library.

The library is situated in the Town Hall and hours are Tuesday 12 to 1 for bus children, 2 to 5 and 7 to 9, Friday 2 to 5.

NEPTUNE Club Swim News

The season has nearly started and now we are waiting for the swimming pool to open up.

This summer the swim club has one hour everyday from 6-7 P.M. (except Saturdays and Sundays) for competitive swim training and water polo. If there is enough interest we will be able to put aside one hour for adults only and another for children only.

DOWNTOWN EDMONTON WILL "DRESS UP" FOR KLONDIKE DAYS

The town Klondike may be a thousand miles away but businessmen here are making to create a colorful Klondike for the town Klondike.

The downtown businessmen are planning to dress up their stores and offices for the week-long gold-rush extravaganza July 12 - 19. According to advertising executive Jim McShane, the Klondike is the project is coming right.

"Klondike Days decorations will be the best yet," predicts Mr. McShane, who has a volunteer downtown decoration committee.

The downtown committee contacted over 2,000 businessmen to urge cooperation in the dress-up. The total covers every ground-floor office and business between 7th and 10th st. from the CNR tracks to the North Saskatchewan River.

An interesting feature of the Klondike is the Klondike program will be the use of low energy sound source which is not harmful to sport or commercial fishing. The sound source required for seismic recording will be created by a small propane and oxygen mixture ignited about 20 feet below the surface.

The operation will be carried out from a radar equipped ship with a sonar system at a later stage of the program. The Klondike will be moved by the helicopter from point to point along the shores of Vancouver Island and

How long would your savings last if disability stopped you from working?

One month? Six months? You probably have insurance to cover crippling medical expense, but what about loss of income for the time you cannot work? Where will the money come from to keep up payments on your home, your car, your furniture? It has to come from somewhere.

Why not let Manufacturers Life give you an income while you are disabled? It's as simple as that. Here is why our Personal Income Protector Plan is worth investigating.

1. It offers you wide flexibility in amount of income and the length of time it will be paid if you are disabled.

2. For example: you may be able to arrange for income benefits right through to age 65 for total disability due to sickness or for life when an accident is the cause. Accidental death and dismemberment benefits to age 65 are also offered.

3. You can co-ordinate the plan with your other resources; tailor it to your needs and your pocketbook.

4. Manufacturers Life cannot cancel the policy nor can your premium rate be raised - ever.

5. The plan can be set up to put emphasis on long term income benefits and to overcome the inadequacy of any short term coverage you may already have.

If you'd like to learn more, call your Manufacturers Life representative. He'll be glad to give you all the details.

What Is Your Chamber of Commerce Doing?

Your Drayton Valley and District Chamber of Commerce is not one bit ashamed to let its past record stand and speak for itself but it is far more interested in what lies ahead and what projects are underway in the future. We have a full slate of opportunities in the mill and have a great deal to do before the end of 1966.

Some of our projects are:

1. As the result of cooperation and very hard work on the part of one of our contributors, a Nursing Home for Chronic Patients appears as a permanent addition to the community.
2. Plans are under way for a new highway interchange to Drayton Valley, Alberta, which will be a great deal of work to be done in the future if we are to succeed.
3. Plans are being made to get the Canadian National Railway to "give" a new station to the town of Drayton Valley and at our last meeting, it was decided that, provided we could support our request with valid reasoning, the matter would be referred to the Chamber of Commerce for consideration. This is now being given a great deal of effort.
4. In connection with our previously mentioned interest in Vocational Training, the Chamber of Commerce has acted as local sponsor for the
